

MEROS INTERNATIONAL INSTITUTE

SLC Specialist Language Courses

ENGLISH FOR CARE

Accredited cpd Activity

60 HOURS

ONLINE

ENGLISH LEVEL: A2-B1
Elementary & Lower-intermediate

communicating accurately and effectively is critical to the safety, care and wellbeing of patients.

The course is designed for care professionals and students with an elementary or low-intermediate (A2-B1) level of English who work or study in English.

This course teaches care professionals and students to communicate both confidently and accurately.

Course Topics include:

- ✓ Introducing yourself
- ✓ Talking about the body
- ✓ Patient admissions
- ✓ Taking observations
- ✓ Eating and drinking
- ✓ Personal care
- ✓ Mobility
- ✓ Pressure area care
- ✓ Falls and injuries
- ✓ Elderly patients
- ✓ Infection control
- ✓ Talking about pain
- ✓ Mental Health
- ✓ Hospital charts

Taking the course also improves vocabulary, grammar, pronunciation and conversational skills.
You learn to speak confidently and accurately, and learn to understand better what others say to you.

Learn practical communication skills

Communicatingeffectively with patients and other healthcare professionals makes a massive difference to the quality of a carer's work.

Learn from experienced medical and English language professionals

Thiscourse has been writtenand reviewed by medical and English language professionals, including qualified carers, teachers and course designers. They understand the best way of using online courses to produce great results.

Learn when and where you want

About the Course

MEROS INTERNATIONAL INSTITUTE

Course Length	60 hours of study, divided into 10 clearly defined 6-hour sections. Each section focuses on a vital area of practice, giving you the tools to communicate effectively at work. You have 3 months to complete the course
Course Level	The course is set at an elementary and low-intermediate level (A2-B1 in the Common European Framework). At this level, you can understand and communicate in simple sentences in familiar situations, such as travel, work and family.
Inputs	During the course, you listen to conversations, read medical texts and hospital charts, watch animated videos, look at work-related photographs and images, and study vocabulary, grammar and pronunciation focus points.
Exercises	You take a wide range of exercises to help learn the language you need. The exercises concentrate on scenarios using English at work.
Progress Assessment	You can track your results and the time you spend online. And at the end of every unit, there is a progress assessment so you can see what you have learnt.
Course Accreditation	The course is accredited by the CPD Standards Office in the UK, whose professional qualifications are recognised worldwide.
End of Course CPD Certificate	When you complete the course, you receive a CPD-stamped Certificate stating the name and level of the course, and a description of what you have learnt.
lead Writer	Virginia Allum is a practising Registered Nurse, a lecturer in Medical English, and a widely published writer, including co-authoring the Cambridge English for Nursing text books, the Cambridge OET Preparation Nursing book, and SLC's acclaimed online and Medical English courses.
