

MEROS INTERNATIONAL INSTITUTE

SLC Specialist Language Courses

ENGLISH FOR NURSES FOUNDATION

Accredited cpd Activity | 60 HOURS | ONLINE

Build a strong foundation in Nursing English for work and study.

This course is for nursing students and professionals with an elementary or low-intermediate (A2-B1) level of English.

The course develops the profession-specific English language and communication skills needed across a wide range of nursing scenarios.

Course Topics include:

Introducing yourself
Talking about the body
Patient admissions
Taking observations
Eating and drinking
Personal care
Mobility
Pressure area care
Falls and injuries
Elderly patients
Infection control
Talking about pain
Mental Health
Hospital charts

Taking the course also improves vocabulary, grammar, pronunciation and conversational skills.

Participants learn to speak confidently and accurately, and learn to understand better what others say to them.

Learn practical language skills

Develop your ability to communicate effectively with patients and colleagues. Keep up with English language information, news, and webinars.

Learn from experienced medical and English language professionals

This course has been written and reviewed by nursing and English language professionals, including qualified nurses, teachers and course designers. They understand the best way of using online courses to produce great results.

Learn when and where you want

These courses can be accessed on a PC, tablet or smartphone, allowing you to learn wherever you have a connection. Activities and exercises are short and engaging, so even 10 minutes can be productive.

About the course

MEROS INTERNATIONAL INSTITUTE

Course Length	60 hours of study, divided into 10 clearly defined 6-hour sections. Each section focuses on a vital area of practice, giving learners the tools to communicate effectively at work.
Course Level	The course is set at an elementary and low-intermediate level (A2-B1 in the Common European Framework). At this level, a learner can understand and communicate in simple sentences in familiar situations, such as travel, work and family.
Inputs	During the course, learners listen to conversations, read medical texts and hospital charts, watch animated videos, look at work-related photographs and images, and study vocabulary, grammar and pronunciation focus points.
Exercises	Learners take a wide range of exercises to help learn the language they need. The exercises concentrate on scenarios using English at work.
Progress Assessment	Learners can track their results and the time they spend online. And at the end of every unit, there is a progress assessment so learners can see what they have learnt.
Course Accreditation	The course is accredited by the CPD Standards Office in the UK, whose professional qualifications are recognised worldwide.
End of Course CPD Certificate	When learners complete the course, they receive a CPD-stamped Certificate stating the name and level of the course, and a description of what they have learnt.
Lead Writer	Virginia Allum is a practising Registered Nurse, a lecturer in Nursing English, and a widely published writer, including co-authoring the Cambridge English for Nursing text books, the Cambridge OET Preparation Nursing book, and SLC's acclaimed online and Medical English courses.
